Exc. 2.

Office of the Government Advocate in Mysore,
BANGALORE, dated the 6th September 1919.

From

The Government Advocate in Mysore,
Bangalore.

To

The Chief Secretary to the Government of
H. H. the Maharaja of Mysore, BANGALORE.

Sir,

In forwarding herewith an application dated the 20th August 1919, with its enclosure, presented by - D. Shama Rao, Second Clerk of this Office, I have the honor to state that in Government Order No. 2350-1/Cts 108-17-4, dated the 4th January 1918, Government were pleased to sanction the recommendations made by my -- predecessor in this office, requesting the exemption of the Clerk from the Age Bar under article 34 of the - Mysore Service Regulations and from passing the clerkship Examination, in order that he may be confirmed in his appointment carrying a pay of Rs. 20-1-25. On the 19th June 1919, he sent up an application, through - this office, to the Excise Commissioner in Mysore, praying for an appointment of either Rs. 25/- or 30/- per mensem on the ground that his prospects here xxx were very poor. In reply he was called upon to produce a copy of the Government Order sanctioning the exemptions aforesaid, which he did on the 2nd August 1919. On the 6th idem, he was given an endorsement, enclosed herein, to the effect that "he cannot be entertained on Rs.25/- vide clerkship rules No. 2 of 5th March 1917". This

rule says that "no person shall be eligible for appointment or promotion to a post carrying Rs. 25 per mensem and upwards unless he has passed the Matriculation Examination of an Indian University or obtained the completed Secondary School -- Leaving Certificate and has passed in addition the Clerkship Examination (Higher)". It is also stated in another place in the same G.O. (Note No. 4), that for the purpose of these - rules, progressive salaries are to be calculated as the maximum pay of an appointment. The maximum pa of the post under reference is Rs. 25/- according to the above rule and it is evidently on account of this , that the question of his general educational qualification was raised by Government when the question of the exemptions was still pending. It was found that the clerk had appeared for the Matriculation Examination of the Calcutta University, but had not passed owing to his - in-ability to get through "Hindi Translation". His marks - list obtained from the University was also furnished to Government and they were evidently satisfied about his qualifications when the exemptions were sanctioned. As it is represented that the Excise Commissioner in Mysore seems to have doubts on this point, I request you to kindly obtain the orders of Government confirming their previous order, dated the 4th January 1918, referring specifically to his having - been exempted from passing the Matriculation Examination.

I have the honor to be,

S i r,

Your most obedient servant,

Government Advocate.

To

The Government Advocate in Mysore,
Bangalore

Sir,

In enclosing the endorsement No. D. Dis 285-19 dated 6th instant, given to me by the Excise Commissioner in Mysore, in reply to my application submitted through this office, seeking for an appointment on either Rs 25 or 30 in that office, I beg to bring to your kind notice that the Excise Commissioner doubts about my having been exempted by Government from the Clerkship Rules. I was confirmed in my present appointment, the Salary of which is Rs 20-1-25 after the receipt of the Government Order No. J 2350-1 Cls 108-17-4 dated 4-1-1918 in the matter. Before the above orders were passed, Government were pleased to ascertain the following information from this office, viz. (1) The date of my appointment in this Office (2) What was meant by the statement "Studied up to Matriculation Standard" & (3) Whether I had ——

had passed the Clerkship Examination prescribed by the New Clerkship Rules. The necessary information was furnished to the 1st & 3rd points & my matriculation Marks List, obtained from the University, was submitted to Government for their kind perusal in reply to the 2nd point. I think, if Government were not satisfied with my matriculation marks, they would not have passed the final orders in this respect. Since the appointment required the qualification of matriculation standard according to Clerkship Rules. Since this is doubted by the Excise Commissioner in Mysore in his endorsement above referred to, I beg to request that the matter may be kindly referred to the gracious notice of Government & their orders obtained on the same.

Bangalore
20th August 1919

I beg to remain,
Sir,
your most obedient
Servant,

D. Shama Rao

Endorsement.

With reference to his application dated 2nd August 1919, praying for an appointment on Rs.25 or Rs.30, D. Shama Rao, Clerk, Office of the Government Advocate, Bangalore, is informed that from the copy of the Government Order produced by him it is seen that he has been exempted from passing the Clerkship examination only. As he is not a Matriculate it is observed that he cannot be entertained on Rs.25/- vide Clerkship rules No.2 of 5th March 1917.

Offg. Excise Commissioner.
